STEEL PINTLE CHAIN > Pintle Chain

Industry: AG Spreader, Grain Processing, Asphalt Paving, Sanding Truck Conveyor, Car Wash Conveyor, Forest Products

Mac Steel Pintle Chain (open barrel design) are recommended for a wide range of applications such as spreaders, feeder systems, hay handling equipment and spray box applications.

- One-piece fully heat-treated steel link
- Quad-Staked pin construction
- Open barrel design will eliminate chain freezing
- A full line of custom attachments and sprockets are available

NOTE: All dimensions shown in inches unless noted otherwise.
